§3-516. IN EFFECT

(a) Each law enforcement agency shall establish a confidential and nonpunitive early intervention policy for counseling officers who receive three or more citizen complaints within a 12-month period.

(b) A policy described in this section may not prevent the investigation of or imposition of discipline for any particular complaint.

§3-516. ** TAKES EFFECT JULY 1, 2022 PER CHAPTER 60 OF 2021 **

(a) Each law enforcement agency shall establish a confidential and nonpunitive early intervention system to identify police officers who are at risk of engaging in the use of excessive force and to provide the officers with training, behavioral interventions, reassignments, or other appropriate responses to reduce the risk of the use of excessive force.

(b) A system described in this section may not prevent the investigation of or imposition of discipline for any particular complaint.
